## **“FOURZA” – Mobile Charging with Style**

Perfect solution to dock and charge multiple mobile devices

HONG KONG, 5 July 2016

Thermal Solutions specialist *GELID Solutions* unveils the *FOURZA* – a contemporary USB docking station which supports smart charging of multiple mobile devices.

The *FOURZA* features 4 large slots to dock multiple mobile devices and has a set of thin-layer rubber inserts to fix your devices in the slots and to prevent slip-off. You can dock different devices of varying size and types: iPhone™, iPad™, or Android™ device equipped with a standard protective case, military grade rugged type case and extended battery case up to a maximum thickness of 15 mm. All the slots are crafted to position your device in an ergonomic angle, so you can enjoy favorite movies or online shows and check messages while your phone or tablet is charging. The *Smart IC*, a core part of *FOURZA Charger Unit*, auto-negotiates the best charging current and ensures the most efficient charging cycle to save your gadget's battery life. It also supports auto power cut-off for compatible devices. The *FOURZA* is designed to support the latest USB charging standards. It provides 4 USB power ports with a current output of 2.4A max per port and a total power output of 48W max. The *FOURZA* also provides a port-specific protection system for the safety of your device, which includes surge protection, short-circuit protection and over-temperature protection. And especially, the *FOURZA* is backed with a power efficiency of 87% and high-grade component circuitry to ensure the best quality you can get and all materials used on *FOURZA* are eco-friendly. The *FOURZA* conforms to FCC, CE-LVD, CE-EMC, DOE VI and carries a 2-year warranty.

*“When you have a bunch of mobile devices which you should use all together and day-to-day in office or at home, it's often a nightmare to charge those phones and tablets quickly, keep them in a good order. The FOURZA is a perfect solution to do it right and charge your devices with ease and style”,* said Gebhard Scherrer, Sales Director of GELID Solutions Ltd.

The *FOURZA* is available now and has a MSRP of USD 40 or Euro 39.90.
